DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty cent and dollar sizes are sold by all good druggists.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

THE HERALD.

SPENCER COOPER. : : : Editor.

HAZEL GREEN, KY.
THURSDAY, : Sept. 24: , 1903.

Our Candidate for President,

WM. RANDOLPH HEARST,
OF NEW YORK.

RIDDELL and Roberts is the slogan that will be yelled by Democrats all over this judicial district until the close of the polls on Tuesday, November 3, 1903, when it will be shouted by every man who gave them his suffrage. In every precinct a Democratic club should be organized, and "Rally to Riddell and Roberts" should be the war cry of every member of the club. The three R's—"Rum, Romanism and Rebellion"—brought defeat to James G. Blaine. Let us reverse the order of things in this district and make of "Rally to Riddell and Roberts" the greatest victory every recorded in this district. We can do it, but every voter must do his duty. Holding down chairs and trying the tenacity of your trousers while you discuss the tariff won't win. Try the strength of your shoe-soles in seeking the suffrage of some doubtful voter or in urging some stay-at-home Democrat to go to the polls and vote. Work is what is most needed, and every Democrat must put in his best licks. Judge Riddell is too well known to need an introduction at our hands, and for Judge Roberts we can say: A better Democrat nor a worthier man never asked for office, and when elected he will prove a prosecutor of whom the district may be proud. Riddell and Roberts are a strong team.

Of Interest In the Kitchen.

The Delineator for October presents an especially attractive array of culinary topics. In the unique cookery series "Carletta and I" the story of the wedding dinner is told, and excellent recipes accompany the narrative. Autumn Fruits and Vegetables occupies two pages with illustrations and recipes. In a special article the making of ginger bread and cakes is explained, and another paper imparts the secret of making old-fashioned New England pies—"pies like our grandmothers used to make." Useful Knowledge about Eggs gives information not generally known but well worth possessing.

ABRAHAM LINCOLN delivered the Negro from bondage, and nearly all thinking people believe that he was a special savior appointed of the Lord for that purpose. Likewise the handwriting on the wall now indicates that He in His wisdom has raised up William Ran-

dolph Hearst to lead the laboring man out of darkness into light! To free them from a bondage worse than slavery, which the greed of the capitalist has imposed upon them; to lessen their labors and lengthen their learning; to rescue them from hovels and re-establish them in healthy, happy homes; to break down their vindictiveness and broaden their views. In brief, to make them men in every sense. And he would have capitalists respect them in these rights. Such a man is William Randolph Hearst, and he will be the next Democratic candidate for president.

The Pleasure of Eating.

Persons suffering from indigestion, dyspepsia or other stomach trouble will find that Kodol Dyspepsia Cure digests what you eat and makes the stomach sweet. This remedy is a never failing cure for indigestion and dyspepsia and all complaints affecting the glands or membranes of the stomach or digestive tract. When you take Kodol Dyspepsia Cure everything you eat tastes good, and every bit of the nutriment that your food contains is assimilated and appropriated by the blood and tissues. Sold by all druggists.

Gov. BECKHAM and Congressman Ollie James addressed an audience here yesterday afternoon which was variously estimated at 600 to 800 people, including many Republicans and a goodly number of ladies. There was a great deal of enthusiasm manifested throughout the speaking, and the many anecdotes interspersed by Ollie James, who a good many persisted in calling "Ollie" James, elicited shouts of applause and laughter. Gov. Beckham explained his pardon record and showed that each of his predecessors had exercised that prerogative twice as often as he had. It was a big day for Democracy and will bear fruit at the November election.

Fearful Odds Against Him.

Bedridden, alone and destitute. Such, in brief was the condition of an old soldier by name of J. J. Havens, Versailles, O. For years he was troubled with kidney disease and neither doctors nor medicines gave him relief. At length he tried Electric Bitters. It put him on his feet in short order and now he testifies, "I'm on the road to complete recovery." Best on earth for liver and kidney troubles and all forms of stomach and bowel complaints. Only 50c at all druggists.

CURTIS JETT must hang for the murder of James Cockrell. Such was the verdict of the jury in the Harrison circuit court, at Cynthia, at 5:07 o'clock Tuesday afternoon, after deliberating two hours and twenty-two minutes. Attorney Blanton, Jett's only attorney, will take the case to the appellate court, where he hopes for a reversal. No confession will be made, says Jett, because he says there's nothing to confess. He was totally unmoved when the verdict was read to him. Judge Osborn will set the date of execution, and Cynthia will be the scene.

Tired Mothers.

It's hard work to take care of children and to cook, sweep, wash, sew and mend besides. Tired mothers should take Hood's Sarsaparilla—it refreshes the blood, improves the appetite, assures restful sleep.

Prof. Cord left Monday for Paris, where he will attend the state meeting of the Christian church, which convened there Monday and will hold throughout the week. On Wednesday there will be a special meeting to secure funds for the erection of a dormitory for Hazel Green Academy, and Friday will be the centennial anniversary celebration of the birth of reformation at Old Cane Ridge church, where, just a century ago, Rev. Barton W. Stone preached the initial sermon. Next week we will perhaps have more to say of the centennial celebration.

The Genuine vs. Counterfeits.

The genuine is always better than a counterfeit, but the truth of this statement is never more forcibly realized or more thoroughly appreciated than when you compare the genuine DeWitt's Witch Hazel Salve with the many counterfeits and worthless substitutes that are on the market. W. S. Ledbetter, of Shreveport, La., says: "After using numerous other remedies without benefit, one box of DeWitt's Witch Hazel Salve cured me." For blind, bleeding, itching and protruding piles no remedy is equal to DeWitt's Witch Hazel Salve. Sold by all druggists.

The Postoffice Department at Washington is now asking for bids to carry the mail from West Liberty to Hazel Green, daily round trip of 30 miles, and notes that the present price is \$214.71 for a year. A little figuring will show that this is less than 70 cents a day, counting 312 days to a year, and how any man can afford to furnish a horse and rider and traverse that distance for such a pittance is beyond comprehension. It is to be hoped that all bidders this year will ask \$500, at least.

A Purgative Pleasure.

If you ever took DeWitt's Little Early Risers for biliousness or constipation you know what a purgative pleasure is. These famous little pills cleanse the liver and rid the system of all bile without producing unpleasant effects. They do not gripe, sicken or weaken, but give tone and strength to the tissues and organs involved. W. H. Howell of Houston, Tex., says "No better pill can be used than Little Early Riser for constipation, sick headache, etc." Sold by all druggists.

Roe Maxey, who lives seven miles beyond West Liberty on the Morehead road, was here Monday. He left Tuesday morning accompanied by his mother, Mrs. Lizzie Maxey, of Lexington, who has been visiting her sister, Mrs. Lou Day, of this place for quite a while. She will be the guest of he and his family for a few weeks ere she returns to her blue grass home.

Judge Robert Riddell was at the speaking yesterday and his running mate, Judge Roberts would have been with him but for the fact that he is now enjoying a honeymoon which fulfilled last Saturday night, when he married Mrs. Lutzie, a lady of Maysville, and started on a wedding tour.

Uncle Charley Fallen was in to renew his subscription to THE HERALD a few days ago, and it was plain to be seen that he was trying to get his consent to run for county judge. He said many of his friends had asked him to make the race, and if he concluded to do so he would surely announce in THE HERALD. As school commissioner and surveyor he gave general satisfaction, and no doubt he would make a good judge. But wait until he announces.

Leonard Taylor spent a few days last week at Simpson, Breathitt county.

Mrs. Miram Dunn was called to Breathitt county Saturday to attend the bedside of her sick mother, Mrs. Mary Turner, who has been confined to her bed for about four years. She is about 96 years of age.

State College of Kentucky.

THE AGRICULTURAL AND MECHANICAL (State College) College of Kentucky offers the following courses of study, viz: Agricultural, Horticultural, Chemical, Biological, Mathematical, Physical, Normal School, Classical, Mechanical Engineering, Electrical Engineering, Civil Engineering, each of which extends over four years and leads to a degree. Post Graduate studies are also provided, leading each to a Master's degree. Each course of study is organized under a separate faculty. The general faculty numbers more than 50 professors and instructors.

COUNTY APPOINTEES receive tuition, room rent in dormitories, fuel and lights, and if they remain 10 months, traveling expenses.

The laboratories and museums are large, well-equipped, comprehensive and modern.

The Legislature appropriated \$60,000 for a College home for young women and \$30,000 for drill hall and gymnasium for men. The latter is completed and in use, the former will be ready for occupancy in October.

Military tactics and Science are fully provided for as required by Congress. Graduates from the several courses of study readily find excellent positions and liberal remuneration. The demand is largely in excess of the ability of the College to supply. Last year the matriculation list was 604.

Summer Schools are provided for Pedagogy, Engineering and instruction in Science.

Specialists with the necessary number of assistants have charge of each department of Natural Science.

The State College of Kentucky, though bearing hitherto the title of COLLEGE, is the only institution in the Commonwealth doing, in any proper sense, University work.

The completion of the College Home for young women will provide facilities for good board and lodging. It is equipped with all modern conveniences including bath rooms and room for physical culture. It will be heated by steam and lighted by electricity.

An opportunity is afforded to them of a thorough education in Classics, Modern Languages, Literature, Science, Mathematics, Logic, Metaphysics, History and Political Economy. No other institution in the State offers advantages for the education of women at all comparable to those offered by the State College of Kentucky.

I have had occasion to use your Black-Draught Stock and Poultry Medicine and am pleased to say that I never used anything for stock that gave half as good satisfaction. I heartily recommend it to all owners of stock.

J. B. BELSHER, St. Louis, Mo.

Sick stock or poultry should not eat cheap stock food any more than sick persons should expect to be cured by food. When your stock and poultry are sick give them medicine. Don't stuff them with worthless stock foods. Unload the bowels and stir up the torpid liver, and the animal will be cured, if it be possible to cure it. Black-Draught Stock and Poultry Medicine unloads the bowels and stirs up the torpid liver. It cures every malady of stock if taken in time. Secure a 25-cent can of Black-Draught Stock and Poultry Medicine and it will pay for itself ten times over. Horses gain better. Cows give more milk. Hogs gain flesh. And hens lay more eggs. It solves the problem of making as much blood, flesh and energy as possible out of the smallest amount of food consumed. Buy a can from your dealer.

CAMPTON COURIER.

BENJ. SEWELL, Editor. VOL. I, No. 31

J. N. Vaughn and Capt. B. J. Ewing, of Lexington, are in our midst this week.

Mrs. Dr. J. H. Stamper is attending the Odd Fellows Grand Lodge at Louisville this week.

The funeral services of Uncle Thos. Tutt and wife, at Bethel last Sunday were well attended by Campton folk.

Up to Tuesday we noticed the following visiting attorneys in the court-room: Robt. Riddell, Irvine; T. B. Blakey, J. K. Roberts, S. H. Hurst, Beattyville; Wallace McGuire, George Goad, West Liberty, and T. C. Johnson, Tallega.

J. Willard Mitchell, of Nicholasville, made a sizzling-hot Democratic speech here Monday to an appreciative audience. He revealed the fact that there is something good about him—his Republican wife. He was followed by the Republican and Democratic candidates for circuit judge and commonwealth's attorney.

Circuit court convened here on Monday with his honor, David Benton Redwine, of Music Hall fame, on the bench, and who, as such, presented a picture of absolute innocence. The judge's charge to the jury was strikingly forceful—a grand gospel sermon full of saving grace to a crime-ridden people from a reign of murder and bloodshed—a grand stand play for a law-loving courageous, Reformation sentiment in the hearts of the people—a plea for manliness and boldness for the right against the wrong. He said the juries were a power of "last resort" in enforcing the law, and artfully forgot to say that the jury commissioners are a power of "second resort" and responsible for the make-up of the juries, and the circuit judge a power of "first resort" and responsible for the make-up of the jury commissioners. Withal his charge was a crackerjack favoring a Breathitt 45-calibre size, made famous in many a feud battle.

T. F. Stamper, A. C. O'hair and Dr. A. C. Nickell, comprising the Board of Election Commissioners, met here last Saturday and appointed the following election officers for Wolfe county:

The M. P. S. is growing in this community more than anything.

Dr. Stamper, the dentist, is with us this week, and doing a good business.

Howard Stamper, C. C. Fuls and Taylor Hurst are attending Squire Shockey's court.

W. T. Walter, of Caney, has bought A. J. Walter's steam-mill and is doing a good business.

J. H. Dunn has sold all his cattle, making a good sale, considering that everything is so low.

S. T. Graham, P. M. and wife, Lou Graham, are preparing to take in the fair at Mt. Sterling next week. We hope they will have a happy time.

Green Taulbee was tried for shooting on the public highway, and was fined \$50. But he got a new hearing, and will be tried in Squire Shockey's next court.

R. A. Dunn had a good race after one of the Colwells. He got a trace of him at Lee City, and followed him to Dick Linden's, where he got in sight of him. Colwell saw him, and they took a horse race to Charley Robbins' branch. Dunn was getting so close to him he jumped from the horse and ran through a field into a willow patch. Dunn ran in and captured him.

NATURE'S WAY

NATURE purifies the atmosphere and renders our surroundings habitable by sending the lightning and the rain. We, too, should purify our bodies, if health is to be restored or maintained. When the bowels do not move regularly, your liver is out of order, and you cannot be well. The food lies undigested on the stomach, generating foul gases that poison the blood, and frequently induces chronic ailments and long years of suffering. If troubled with constipation, take **PLANTERS NUBIAN TEA**—the certain cure for all bowel troubles, biliousness, vertigo, bad breath, coated tongue, sour taste in mouth, insomnia, mental torpor, indigestion, headache, belching up of foul gases, distention of the abdomen, and all other distressing symptoms of Dyspepsia. A pure and healthful vegetable compound—the only remedy that positively cures Constipation and restores every organ of the body to vigorous and healthy action. All druggists sell it, or we send it prepaid, by mail; 25c. a package, 5 packages, \$1.00. Sample and booklet free to any address.

What Is Life?

In the last analysis nobody knows, but we do know that it is under strict law. Abuse that law even slightly, pain results. Irregular living means derangement of the organs, resulting in Constipation, Headache or Liver trouble. Dr. King's New Life Pills quickly readjusts this. It's gentle, yet thorough. Only 25c at all druggists.

Tomorrow May Be Too Late.

How many times have you put off something, saying: "I'll do that tomorrow"? But when tomorrow came you again put it off and have kept on putting it off ever since. When asked why, you say "Oh, there's plenty of time yet." IS THERE? Just one example: A young man was taken ill and attended by a physician who left him some medicine to take at a certain hour. When the time arrived the young man, feeling better, said: "I don't need that now," and cast it aside. On the morrow a cramp on the door and the tear-stained faces of wife and little one told a story too sad to picture.

Among the many uncertainties of life there comes a certainty—it is Death, and we must all meet it. It rests with you to make provision for those who depend upon you. The best protection that money can buy is in the
